Buick SPECIAL  
6-Passenger 2-Door Riviera

*(And at the Best Buy Yet!)*

WHAT'S IN IT for you—if you step out and buy yourself a 1956 Buick right now? Well, first of all—the time is right. Right now, your present car is at its peak worth. And, with the whole summer and almost half of '56 still ahead of you, you'll get more enjoyment out of a spirited new Buick this year—if you buy now. Second, there's the matter of how much more automobile your money buys in the best Buick yet. We tell you flatly that nowhere but in a '56 Buick can you get so much bounty for so little booty.

For example, take the beautiful big '56 Buick SPECIAL pictured here. It's one big reason why Buick now ranks in the top three of America's best-selling cars. Yet, you'll find it priced right close to the well-known smaller cars. That sure makes Buick a whale of a lot of car for the money. And look: Nowhere but in a '56 Buick can you get the absolute smoothness and the electrifying performance of Buick's terrific new Variable Pitch Dynaflo.\* Nowhere else can you get the obedient responsiveness of Buick's big and mighty new 322-cubic-inch V8 engine. Or Buick's matchless new handling ease and

ever-level ride buoyancy—or Buick's bold new sweep-ahead styling, and solidity of structure, and stretch-out roominess.

Add it all up and the answer comes out the same, any way you figure it: Now's the time to buy your 1956 Buick.

Will you come in—before another sun sets—and get set with your best buy yet?

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

When better automobiles are built Buick will build them

## H. D. CLUB DOINGS

By Estella Strayhorn

Try this for a dinner at your house—Fried chicken, scalloped fruit salad, cornbread, milk and iced tea.

**Dinner**  
Scalloped Okra  
4 strips bacon  
2 medium-sized onions  
2 green peppers  
clove of garlic  
4-6 cups okra  
salt  
pepper

Fry bacon until crisp. Remove and chop in small bits. Chop onions, green peppers and garlic. Brown in bacon drippings. Add sliced okra and sear until golden brown. Chop tomatoes. Add to above and cook covered over low heat for 15 to 20 minutes. Season with salt and pepper. Serve with chopped bacon and minced parsley.

### 4-H Record Books

All 4-H club members need to work on their record books. Outstanding records and boys and girls who would like to receive special medals, need to turn records in to adult leaders not later than Aug. 24. All other records will be due in September.

Two gold star awards are available in Medina county—one to be awarded to a 4-H club boy and one to a 4-H club girl. This is the highest county award provided by the Texas Agricultural Extension Service.

Requirements are as follows: The club member must be at least 13 years old as of Jan. 1, 1956. She must be an active 4-H member during 1956 and must have completed at least three years of club work. The member will be scored on these points: 4-H result demonstrations and Activities—50.

4-H Leadership—25  
Personal Development—25  
The committee will also consider 4-H records.  
Francis Lutz, St. Louis 4-H member, and Mary Griggs, Castroville High School, were 1955 winners.

REPORTING  
ALEX E. JUNGMAN RETIRES AS POSTMASTER AT LACOSTE AFTER SERVING NEARLY HALF A CENTURY

### A CASTROVILLE BOY

#### MAKES GOOD

When the Southern Pacific Railroad extended its line westward from San Antonio in 1881, whistling stops were established at convenient locations thereon. These points became the nuclei for settlements and slowly but eventually a town grew up where the trains stopped. Among these places we are, in this article, concerned only with the places known as Idlewild and LaCoste.

The Postoffice Department was slow to recognize these points, but eventually a post-office was established at the first named point, while LaCoste seems to have been deferred for quite some time.

Eventually, however, LaCoste outstripped the other town, which had been given a post-office first, and Mr. Thomas Duncan served as Postmaster at Idlewild from April 1, 1900, to December 31, 1901, after which the office was transferred to LaCoste. Mr. Martin Braden was appointed Postmaster here and served from January 1, 1902, until September 30, 1907, when Gustave C. Moeller was appointed and served until April 9, 1911.

On April 11, 1911, Alex E.

### DO YOU HAVE HEAD ACHE?

Not everybody reacts the same to nerve pressure; but most people get a dull ache across the lower part of their back, a tightness down the back of their legs and a constant head ache of one sort or another when their tail bone (Sacrum) slips out of its proper place (Subluxated). The Sacrum, like any other bone of the spine, can slip out of its proper place as a result of lifting too heavy, falls, jars or poor posture and a painless Chiropactic adjustment given to the tail bone to replace it, will usually bring prompt relief. Modern Chiropactic adjustments are so gentle that they can be given to the most feeble adult or a one day old infant.

If you have any health problems it would pay you to see Dr. Dallal—your family Chiropactor in Castroville between the hours of 2 p. m. and 7 p. m.

## Future Farmers Take Fishing Trip June 4

By Kenneth C. Nietenhoefer

FFA boys made a recent trip to Possum Kingdom for a fishing excursion. The following is a written report on the trip.

On Monday morning, June 4 at 5 a.m., nine boys and two adults left on a 350-mile fishing trip to Possum Kingdom.

Boys making the trip were George Gooding, Bobby Moos, Jackie Moos, Richard Moos, Butch Smith, John H. Meyer Jr. Tommy Zuberbueller, Gary Schweers, and Kenneth Nietenhoefer. They were accompanied by M. F. Schweers and John McAnelly.

We were all ready to go back to bed but as we went further, our spirits rose and we played cards. After passing through Tarpley, Bandera and Center Point, we stopped in Comfort to eat breakfast.

From there, we passed through Fredericksburg, Mason, Brady, Brownwood and pulled in Rising Star for lunch. Following dinner, we traveled through Cisco, Albany and Breckenridge, where we mailed letters and purchased groceries. And finally, we reached the lake at 5 p.m.

The next morning, we rented boats and started on the fish. A lot of swimming occupied our time but by Tuesday we were getting bored because there just weren't enough girls around. There weren't too many fish caught Tuesday or Wednesday.

Wednesday evening, we slicked up our hair and put on our best shoes and headed for Breckenridge and a movie. We did very little fishing the next morning. Boats were rented and everyone went on joy rides. We started for home Friday morning about 6 a.m. after we had eaten and packed.

On the way home, we stopped at the Enchanted Rock, which is

By Katherine Vincent

Note: This is the first series of recipes, written by people of this community. Katherine Vincent, secretary of the State Department, Welfare, has lived in Hondo since May, 1949. Her original home was Beaumont and she was in San Antonio before moving to Hondo.

Vincent says her recipe for dressing for chicken or turkey is her own, made up of years of kitchen experience. It is a Louisiana dish—Mrs. Vincent lived in that state for 12 years.

42-year-old woman is news chairman for the Hondo Garden Club, advisor for the Garden Girls, a part of the Fire Girls program, and a member of the Parent-Teacher Association and the Baptist Church. She is also a director in the American Red Cross.

Her hobby is making and outdoor camping. She has been married 15 years and has two children.

## Grain Sorghum Study Will Be Held Friday In Castroville

By C. B. Gaston

All persons interested in looking over the grain sorghum and forage sorghum demonstration on the Reynold Keller farm one mile east of Castroville, are invited to be at his place Friday afternoon, July 6th, at 2 p.m. There are six varieties of grain sorghum, including two Texas hybrids and five varieties of forage sorghum that includes hi-hegari, atlas sar-

go, honry, sart and Tracey varieties. The forage sorghums are chiefly recommended for use as silage. It is now time to submit applications for the Farmer's Gas Tax Refund. These applications must be sent to the District Director of Internal Revenue at Austin, before Oct. 1, 1956. The forms are available at the County Agent's office, ASC office, banks

and postoffices. A recent publication explaining the refund has been received and are available with the applications. Several inquiries have been made concerning locating grass for grazing in counties that received rain during the past few months. It was reported that counties to the north of Medina had grassland for lease.

Letters were written county agents in that section and their replies were that livestock owners in their area are hunting grazing also. Next Monday, July 9, at 8 p.m. a meeting will be held at the Devine Elementary School auditorium to explain how the Soil Bank will affect the cotton, peanut, and wheat farmers in Medina county.

Accidents are never cheap and that's why safety pays all ways. Farm accidents in the U.S. each year cause economic losses of one and a half billion dollars to say nothing of the 14,000 deaths and more than a million injuries. The week of July 22-28 has been proclaimed National Farm Safety Week by President Eisenhower. The Texas Farm and

Ranch Safety Council urges every Texan, especially those living in rural areas, to join with their neighbors in conducting community and countywide safety programs. A first-aid kit is an essential for every farm home states, D. M. O'Connell, Medina County Civil Defense Director. O'Connell says a leaflet on a home first-aid kit is available at his office in Hondo.

## happy vacations begin in a Chevy

You'll love to travel in it, because it loves to travel! When you get this Chevrolet out on the road, you'll want to keep going—and so will the whole family.

Of course, even in a Chevy the happiest vacations may involve one or two minor problems. Like fidgety small fry who want gallons of water and keep asking if you're almost there. The big things, though, are well taken care of by this roomy Chevrolet's smooth and easy way of going.

The fact is, few cars at any price hold the road with a Chevy's grace. That idea about the best riding cars

being great oversized affairs went out with the introduction of Chevrolet's outrigger rear springing and low, precisely balanced chassis design. With horsepower up to 225, the Chevrolet moves out like a whiplash, for safer passing. And with it you've always got that solid feeling of stability.

It's no wonder that many people who used to buy higher priced cars are changing to Chevy! Stop by for a ride.

**PERSONAL APPEARANCE**  
By Jerry June Berger

Although holidays mean a day of fun to most people, the big-time city merchants use them as a cue to hold a sale.

After Easter sales, after Thanksgiving and after Christmas sales are all put on their merchandising calendars. This weekend we'll be seeing after the Fourth bargains advertised and although the city store prices may sound more sensational than some offered locally, frequently the merchandise has been bought at a special purchase and is not really a lowering of price of their quality merchandise.

We didn't intend to get off on a shop at home editorial but it is a good idea to know what you're buying.

We are reminded of the clothing merchant who, at the end of his summer sale, was stuck with one man's suit which he absolutely did not want to carry over. It was a purple, orange and green plaid and he admitted it wasn't very pretty but told his salesman, Sol, that he just had to think of some way to dispose of that suit.

After issuing the order, the merchant departed for lunch. When he returned he found Sol all scratched up and bloody, but he also noticed that the purple, orange and green plaid suit was gone. So he asked Sol if he had found it necessary to force somebody into that suit. And Sol's answer was, "No, I had no trouble getting the suit on the customer and collecting the money from him but I sure had a fight with his seeing-eye dog!"

Just back from a Florida and Havana vacation, OLGA JENNINGS had this to say about her friend husband and the trip. "Why

he didn't even act like a husband at all—was the nicest thing during the entire vacation!"

"Doc" didn't answer this quip but did comment that he didn't think much of Cuba, however, he thought Miami was great. The JENNINGS attended an optometrists convention there and saw

PA

Another quotable quote we heard this week came from CONNIE STRICKLAND, who spends his time farming when he isn't instructing future pilots.

When asked if he had planted crops again this year he said, "Yeah, they burned up about three weeks ago. In just about ten more years, if this drought continues, I am going to have to come to some decision about whether or not to continue farming!"

Well anyway, if persistence pays off, CONNIE will be a winner some day.

He came, he saw, he did not conquer. That would just about describe PAPPY W. L. E. E. O'DANIEL'S visit to Hondo Friday.

This "poor man's candidate," "who in Hondo only had one fire engine, one bus, one foreign make car (Volkswagon), one Mercury and one Buick in his caravan, looked over the crowd of two men who had come out to hear him speak and immediately headed for the hills. We understand Kerrville was his destination.

Friday, July 6, 1956

**LETTER TO THE EDITOR**

Dear Mr. Berger:

I am a candidate for re-election to the office of Congressman at Large, subject to the Democratic Primary on July 28. I am now serving my second term in this office.

In view of the fact that Congress will be in session until the latter part of July, I must rely upon my friends in Texas to look after my campaign for re-election while I stay on the job and discharge my duties as your Congressman.

I am a member of one of the busiest and most important committees in Congress, the Interstate and Foreign Commerce Committee which handles many matters of importance to Texas and the Nation, such as the recent Gas Bill.

In 1954 Congress enacted into law my bill to outlaw the Communist Party and its successors, and to define membership or participation in communist organizations in such an explicit way as to plug up the loopholes through which communists formerly escaped prosecution and conviction. The enactment of this bill by such an overwhelming majority was the culminating act of vindication of the work of the Dies Committee, which I headed as Chairman for seven years. My bill struck a fatal blow to the communist conspiracy in America.

In compliance with my Resolution No. 26, the Committee on Government Operations has completed and filed its first report which inventories all the property owned by the Government of the United States, and which shows a total investment of approximately 208 billions of dollars. I believe this will lead to a more uniform program of Federal reimbursements to states, counties and cities for their serious loss of tax revenue, and will bring about a more efficient and profitable use of federally-owned property with beneficial results to our tax payers.

These and other accomplishments were made possible by the loyal support of my friends, for which I am and always will be eternally grateful.

In my campaign for re-election, I will deeply appreciate your support so that on July 28 we can win an overwhelming victory for the principles of good government to which you and I subscribe.

Martin Dies

You'll be amazed how fine an air-conditioned car fewer dollars will buy, when you look into an Air-Conditioned Ford

Driving comfort is an all-season word in a Ford! You only have to buy one unit to keep you cool on hottest summer days . . . to keep you warm in coldest weather . . . to ventilate your car all year long . . . to defog and defrost your windshield.

Add to this the delight of the most powerful standard engine in Ford's field — the Thunderbird 202-h.p. V-8 itself! It's the standard eight in all Fordomatic Fairlane and Station Wagon models. Or you can have the terrific 225-h.p. Thunderbird Special V-8 with Fordomatic Drive for just a little more.

Then, too, you drive a car with the most admired styling of all. For the fabulous Thunderbird inspired the styling of every Ford.

Last, and far from least, Ford brings you the added protection of Ford's exclusive Lifeguard Design—just in case an accident should occur.

So drive the best air-conditioned deal of all. It will breathe fresh air into all of your driving.

## SPEAKING OF SPORTS

By Dr. John H. Jennings

**BRAVES FINISHING STRONG**  
The Hondo Braves have caught fire the past three weeks and now seem set on making a serious bid for a play-off position. It was a sad start for the Braves this year...and then it seemed they could not find a win anywhere...a play-off spot seemed more impossible each week.

Then came word that, even though HAB will play out the schedule, they will be unable to participate in the play-offs because of transfer of a number of their players. The new players added to the roster came after the league player dead-line and will cause the Air Base to forfeit all remaining games.

Like we suggested the first week of the season...it is hoped a player dead-line concession will be made for HAB next year for their particular situation for it is believed here the Base is a fine addition to Hwy. 90 and the League would be missing the boat if they failed to keep them in next year.

**TAYLOR THE DIFFERENCE**  
Big Blanton Taylor's strong arm and booming bat has been a tremendous addition to the Braves. With his presence on the mound everyone on the squad plays better ball...both defensive know full well that they would rather be with him than "agin" him. He throws a mighty small and fast ball toward the plate.

Manager Parsons is happy with the continued improved play of shortstop Johnny Marshall...it has been a big help to the infield. After all, Parsons held that spot since the depression 30's and it takes time to find a replacement!

Then too, a touch of seasoned experience has been added at second base as Veteran Bob Zerr and H. Finger share duty. These two, along with Jim Rogers, represent all that is left of the Braves of old. Jerry Muennink has been doing a fine job for Parsons behind the plate too—a lot of improvement.

**HONDO AND RIO**  
It could be that Hondo and Rio Medina will battle it out for the play-off spot, though both could make it and another team fail in the final four or five games. Rio is one up on the Braves now with a 6 won 7 lost record while Hondo has 5 wins against 8 losses.

The Braves have run over their last three opponents by large margins and should be very hard to keep out of the first division...and with the squad as it now stands should be a play-off favorite...but baseball is a strange game. Lets get out to Hwy. 90 games and see what develops!

**GOLFING FUN**  
The local golf course put on Scotch Foursomes, loaded with fun last Sunday. Sixteen men and sixteen women golfers signed up. The men drew for partners...then the partners took turns hitting alternately at the same ball. It was a lot of fun and created golfing interest. A golf ball was the prize for the first three places...and for the "consolation" place.

Personally, I enjoyed the play a lot...but my partner, Marge Woodrum, did not help my ego any as she kept making beautiful recovery shots of my duffs...most discouraging!

Lt. Charles Parker and Olive Kaufman won the putting prize—with only 15 putts for 9 holes—a good score indeed!

Here is a run down of the results:

First place winner, Evelyn Sizemore and Tom Moseley, 46; second place winner, Marge Ball and Bill Woodrum, 47; (Tie) Mrs. Kight and Bill Kelly, 47; third place winner, Marge Woodrum and J. H. Jennings, 48; and consolation prize, Gladys Williams and L. D. Williams, 69.

The other scores are as follows:

Dorothy Parker and Dr. Landers, 51; Dixie Beard and Bill Kaufman, 51; Dorothy Kelly and Earl Gwin, 52; Olive Kaufman and Charles Parker, 53; Mrs. Laders and H. O. Kight, 54; Mrs. Gunstream and Bob Beard, 56; Mary Renken and Bob Hifler, 57; Betty Hifler and Bob Sizemore, 57; Mrs. Tom Moseley and Mike Ball, 59; Olga Jennings and Harvey Renken, 64; and Gladys Williams and L. D. Williams, 69.

The Hondo Hurricanes took a game from the Castroville gals Monday night in a score of 4 to 2. Nell Nixon was sharp with her fast underhand whip and Castroville was unable to do much with her. Capie Grenari did a fine hurling job for Castroville...she is a young gal who handles herself very well.

## Little League Pirates Belt Yankees, 8-0

The Pirates exploded in the second inning for five runs and coasted the rest of the way behind the one-hit pitching of Larry Newman to whitewash the Yankees, 8-0, in a Little League game here Monday.

Newman, who didn't allow a hit until the final frame, faced only 20 batters in the regulation five inning contest.

WITH 19 HIT BARRAGE

## Hondo Legion Smashes Uvalde

Powered by a 19 hit attack that included three homers, Hondo's flashy American Legion nine smashed Uvalde Legion, 23-2, at Uvalde June 29.

Francis Lutz, Hondo's speed-balling moundsman, handcuffed Uvalde with five hits while his teammates had a field day off five Uvalde hurlers.

The game was the first in a best two out-of-three series to decide the district representative in the American Legion playoffs. Another game was scheduled to be played July 5 at Hondo. If a third contest is needed, the two teams will meet at Uvalde next week.

Justin Jungman and Alvin Hartman, two stalwarts in the Hondo lineup, got things started for the local nine in the very first inning. Hartman blasted a pitch over the left field wall, scoring Jungman, who was hit by a pitched ball, in front of him.

Hondo dented home plate again in the second frame as Lutz, helping his own cause, banged a round tripper with nobody on. In the fourth inning Uvalde trotted four pitchers to the mound, and the Hondoans combated them for 14 big runs and 11 safeties. Nineteen batsmen came to the plate for Hondo in the

fourth, and every man on the team scored at least one run. Jungman, Finger, Balzen, Bayer and Lutz each scored two runs. The Hondo Legion base-batters scored three more runs in the sixth inning and three more in the seventh.

Bobby Bayer was the game's leading hitter, getting four hits, including a triple, in six trips to the platter. Justin Jungman smacked three hits in four at bats, while Francis Lutz garnered three base hits in five tries. The Hondo Legion team is ably coached by Manager J. G. Barry and his assistant, Bob Nations.

## Hondo Braves Battle Bears After 24-4 Win

After three straight victories in Highway 90 League competition, Hondo's on-rushing Braves are eyeing a berth in the coming play-offs.

The Braves take on the strong Hondo Bears here on the Hondo High School diamond at 8 p.m. Saturday, July 7.

Latest victim of the Braves is D'Hanis, which the Hondo nine scalped 24-4 here June 30th. Paced by the booming bat of Montie Williams, the local baseballers rang up 27 base hits while sending 57 men to the plate during the night.

Williams collected six safeties in seven times at bat to walk away with the game's individual batting honors. Another Brave, Blanton Taylor, blasted four hits—including a homerun and a double—in seven trips to the plate.

Taylor, in addition to his hitting prowess, was the game's winning pitcher, as he twirled tight eight-hit ball and limited the visitors to four runs. Only two D'Hanis players, Huser and Harlan Wolff, managed to get more than one hit during the game.

Other Hondoans getting more than one base hit in the game were Glenn Schweers, J. Marshall, Tom Finger, H. Finger, Robert Zerr and Heiligman. All got two hits a piece.

Besides Taylor, Alvin Hartman and Heiligman smashed home-runs for the Hondo Braves. As of this week, ten Braves were batting over the .300 mark in season play. Top batsman is Robert Zerr, whose .500 batting average was garnered in one game—against D'Hanis June 30th—when he had two hits in four tries.

Taylor is the No. 2 batter on the Hondo Braves club with 11 hits in 24 times at bat for a lofty

.451 average. Jerry Muennink ranks third over the season with a fine .444 mark.

In fourth place among the hitters is Williams at .390, followed by Maurice Zerr's .379, Curtis Wiemers, .370; Jim Rogers, .356; M. Wiemers, .355; Homer Martin, .300 and H. Parsons, .300.

So far this season the Braves have won five contests while dropping eight for a .384 percentage.

In other action around the Highway 90 circuit, LaCoste blasted the Quili Giants, 21-1, at H. Finger, 2b. The game was called after 6½ innings due to a severe dust storm.
